About the IPR Workshop

Research and education in every sense are the fundamental factors of development of any country. Creativity and innovation are new drivers of the market driven economy. The significance of Intellectual Property Rights (IPR) in higher education and research have been widely recognized and plays a key role in enhancing the socio-economic prosperity of the country. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the educationist, researchers in the Country, ICAR-DRMR, Bharatpur is organizing a one day Workshop on Intellectual Property Rights. The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc. The technical sessions will be led by the speakers having thorough knowledge in the subject who have been practicing in the field for many years. The expected participants of the program include Scientists, Research Scholars, Small & Medium Enterprise (SME) and Grass Root Innovators.

OBJECTIVE

The power to evolve innovations and thinking in an innovative manner in educational and research organizations can be increased by means of creating Intellectual Property (IP) awareness amongst its academicians, researchers and students, who are directly or indirectly involved in the process of innovation. The one day IP awareness workshop aims at establishing a basic level of IP awareness amongst the workshop participants, This workshop would focus on

- Importance and scope of IPR in Academic Researches.
- Types of innovations patentable & how to test your patentability of your innovations.
- Procedure of patent writing, patent filing and the process of granting patent.

Target audience:

1. Academicians, Research Scholars, Students, Entrepreneurs, Scientists, Start Ups, Industry Professionals & Legal Professionals.
2. Career Aspirants in Intellectual Property Rights.

Venue and Date

The workshop will be conducted Online by ICAR-Directorate of Rapeseed-Mustard Research, Bharatpur, Rajasthan during 18 February 2021.
